

Temporary Power

Oscar™ 2 Tactical Temporary Power Distribution Center

Ericsons new Oscar™ 2-Tactical Temporary Power Distribution Center is built to Military Requirements. Based on the award-winning Oscar™ box, the Oscar™ 2 has been customized to meet the demands of Military personnel. It features a military style Class L Inlet and Feed thru, Ericson exclusive Input Power Diagnostic Module (IPDM) and both GFCI and non-GFCI outlets.

Tactical Oscar™ 2

1. Military style class L inlet & feed through (60 or 100 Amp, 3ph or 1ph)
 - Earth ground lug
 - Tactical color schemes (desert or jungle)
2. Indoor & outdoor use- wet or dry locations
 - Enclosure rated NEMA Type 3R- rainproof, suitable for use in damp locations
3. IPDM indicator lights are recessed for tactical situations

Made in the USA

Customize the Oscar™ 2 Tactical to fit your requirements.
